Resignation

BP 4317.2

Personnel

Any district employee who desires to resign his/her position shall submit, in writing, a letter of resignation which indicates the date which the employee intends as his/her last day at work. The Board of Trustees encourages employees to provide advance notice that is appropriate for the position they hold.

The Board authorizes the Superintendent or designee to accept an employee's written resignation and to set its effective date. Once the Superintendent or designee has accepted and set an effective date for this resignation, the resignation may not thereafter be withdrawn by the employee.

Note: Education Code 44420, as amended by SB 299 (Ch. 342, Statutes of 2001), provides that the Commission on Teacher Credentialing may take any adverse action against a credential holder who refuses, without good cause, to fulfill a valid contract with the district or leaves district service without the consent of the Superintendent or Board. Such adverse action may not include suspension of the credential for more than one year or revocation of the credential.

In addition, pursuant to Education Code 44242.5 and 5 CCR 80303, the district must file a report with the Commission on Teacher Credentialing whenever a credential holder, serving in a position requiring a credential, resigns as a result of alleged misconduct. See AR 4117.7 - Employee Status Reports.
