**CANDIDATE INFORMATION SHEET**

Do you have children who attend school in the Sulphur Springs Union School District? Yes

If yes, ages and school (s) are: 10 and 6, Golden Oak Community School

Have you worked on any school committees or participated in any school activities recently? If yes, please list them. We participated in the winter festival at Golden Oak

Other community or business activities? Community service activities through my firm.

Why do you want to be a school board member? I would like to be able to help our local schools and contribute to the decision making process that affects the children in our community.

What do you see as the basic purpose of the public schools? To provide education to the youth in our community and to provide guidance to a career path or further education.

What is the role of the school board in the fulfillment of that purpose? The school board helps to make decisions that will affect the education process and possible opportunities for children in the district.

What could be done to help improve communication and relationships among the Board, staff, students, parents and community? Regular meetings, bulletins, social media posts regarding decisions that the Board will be addressing.

What should be the relationship between the board members and the administration in addressing school concerns? The board members should listen to the concerns of the community and understand the issues then convey that information to the administration to open discussions.

In what area of function as a board member do you have a particular interest or skill (i.e., public relations, budget, negotiations, evaluation, long-range planning, facilities, policy, etc.)? Budget, public relations, and long-range planning.

What do you see as the strengths of the Sulphur Springs Union School District? I believe the district tries to uphold a high standard amongst the schools within and strive to provide a good educational foundation for its students.

What do you see as the areas most needing improvement in the District? Possibly more in school activities for students to help them find areas of interest - science, sports, and even extra curricular activities.
